

PRAYER AGAINST CORRUPTION IN ARMED FORCES

27th Aug. 2nd -Sept. 2018

It is good to acknowledge that the government is determined to fight corruption in this country but there are some departments that are still continuing without any shame. Our traffic police officers seem to continue with demands on public service vehicle to be given bribes on a daily basis. We understand that they now have increased the amount from fifty shillings a day to one hundred so they look the other way as the drivers and touts break the traffic rules. We do not know whether this department is being investigated or not for this vice but one thing is clear, the Lord sees. The answer lies in **Prayer!**

Exodus 23:8 “Do not accept a bribe, for a bribe makes people blind to what is right and ruins the cause of those who are innocent.”
