#### Monday 13th April 2020: Families in this Season

This is an interesting time for the family unit. It is a time to bond as parents and children have been forced to be home. For dysfunctional families, it can be a time of great stress but we pray for restoration of the family unit.

**3 John 4** *"I have no greater joy than this, to hear of my children walking in the truth."*

**Isaiah 54:13** *"All thy children shall be taught of the Lord; and great shall be the peace of Thy children."*

1. Praise and honor God from whom all families in heaven and earth derive their name –Eph 3:15
2. Thank God for all the families in this nation and pray that the name of God will be honored and respected in our families
3. Plead for forgiveness for the violence within the family circle. Ask God to show mercy and pardon the nation for the sins perpetrated within this unit.
4. Pray that there will be reconciliation between husbands and wives so they avail a good environment for the nurture of children.

- 
5. Pray that many families will find a balance and be able to train their children to love God and to reverence him.
  6. Pray that the often strained relationships between children and parents will be restored and parents will now take their responsibility seriously
  7. Take authority and cancel all the schemes that the enemy has put in place to destroy the family unit. Appropriate the cleansing through the blood of Jesus all hurts, sexual and verbal abuse, violence and shedding of blood within the family context.
  8. We declare that God's design for family and marriage will stand, now and in all future generations in Kenya.

Already life in Kenya and the whole world has been disrupted by the Covid-19. Every institution and every business has felt the effects. The fear of contracting the disease and loss of livelihood for many has brought great uncertainty. It is very obvious that even if the cure is found, things will never go back to where they were. As The body of Christ in the nation, we have a duty to respond appropriately to this virus and its effects.

***And Moses said to Aaron, "Quick, take an incense burner and place burning coals on it from the altar. Lay incense on it. 3. Plead that because of the atoning sacrifice and his merciful attribute, he will not destroy the nation with this virus.
