

PRAYERS FOR THE NATION

ECONOMIC RECOVERY FOR KENYA

5TH to 11th Oct. 2020

Let the political, economic and spiritual leaders of Kenya proclaim that Kenya is for Christ; yes, Kenya is for me, and not for strangers. Kenya is currently governed by a strange economic power, for all its wealth goes to strangers. What a pity that my beloved people in Kenya are poor, eating the crumbs like dogs from the tables of their masters. *I have blessed the land of Kenya, but its wealth is in the hands of strangers. Those strangers govern Kenya economically by exercising an evil spiritual power, emanating from the spirit of Babylon and spirit of the beast. They control everything, yet from behind the scenes.*
